Completed and In Progress

Public Art Projects - Completed

PROJECT SUMMARY

PROJECT NAME: Community Bridge Mural

DATE COMPLETED: 1998

ARTIST: William Cochran

PROJECT DESCRIPTION: Community Bridge transformed a plain, concrete traffic bridge into a catalytic work of public art, an engine for revitalization. The artist used permanent silicate paints to cover all six walls of this strategically located structure with a highly detailed illusionist painting. Located at Carroll Street by the Delaplaine Visual Arts Center

PROJECTED COST:

Design	
Fabrication/Installation	
Total	\$300,000

PROJECT FUNDING SOURCES:

The City of Frederick - \$122,000

Frederick County - \$ 22,000

PROJECT SUMMARY

PROJECT NAME: Brush with Frederick: Painting the Spirit of Carroll Creek

DATE COMPLETED: 2004

ARTIST: Various local residents

PROJECT DESCRIPTION: Residents, businesses, community groups were given a section of concrete to paint along Carroll Creek Park. Each were invited to paint the top on the conduit with their vision of the spirit of Frederick. This temporary painting was then covered over in the spring of 2005 as the public improvements along the park are built, but will remain intact below the surface for discovery by future generations. Available spaces ranged from 25 square feet, 100 square feet or 400 square feet, with suggested donations of \$15, \$30, and \$60 respectively. All donations went toward the Carroll Creek Park Public Art fund established by the City of Frederick.

PROJECTED COST: \$14,600

PROJECT SUMMARY

PROJECT NAME: Heritage Trail Markers

PROJECTED COMPLETION: TBD

ARTIST: TBD

PROJECT DESCRIPTION: A project to introduce markers into the Frederick streetscape that describe events in the community history. The intent is to focus on events that relate to the common person – excerpts from letters, ads from the newspaper, historic photos, etc. The markers will be designed by an artist and inserted into the plane of the sidewalk. The material for the marker has not yet been decided – it may be bronze, concrete or some other material suitable as a walking surface. An initial list of 31 pieces of historic information to feature and tentative locations was created by a group of local historians.

PROJECTED COST: Budgeted: \$40,000

PROJECT FUNDING SOURCES:

Carroll Creek Park CIP - \$20,000

Preserve America Grant - \$20,000
