

# VIBE+TECH+TALENT

## TOP 10 REASONS TO JOIN FREDERICK'S RAPIDLY RISING TECH SCENE

### STRATEGIC LOCATION

### BUSINESS FRIENDLY ENVIRONMENT

Frederick companies enjoy the benefits of fast track permitting, no County business personal property taxes, and a Micro-Grant Program for tech startups and small businesses. Frederick also has opportunities for HUB, Enterprise and Opportunity Zones.

### HIGHLY-EDUCATED WORKFORCE STRONG TALENT PIPELINE

Nearly 40% of the workforce holds a bachelor's degree or higher. Frederick is home to 3 higher education institutions offering 2-year, 4-year and master's degrees. Programs include Bioinformatics; Computational, Data and Computer Sciences; Cybersecurity; Information Technology and Systems; STEM and Mathematics.

### OUTSTANDING QUALITY OF LIFE

Essential to attracting and retaining talent, Frederick boasts a vibrant arts and entertainment scene and award-winning, independent restaurants that have created a haven for foodies. Frederick is home to 6 national parks and offers access to world-renowned outdoor destinations including the Appalachian Trail and the Potomac River. Frederick County Public Schools students consistently outpace the state and nation in measures of student achievement.

### WELL-CONNECTED INFRASTRUCTURE

Frederick offers access to 3 major airports within an hour's drive: BWI Thurgood Marshall, Reagan National and Dulles International. Locally, Frederick Municipal Airport provides business and corporate air service. Critical fiber connectivity is also available to tech companies. Over 92% of the county's population has access to 50.01Mbps, 24.5% faster than the national average.

### INNOVATION CENTER AT ROOT

ROOT, the County's business innovation center in Downtown Frederick, is where business, academia, government, and Frederick's tech incubator/accelerator converge under one roof.

### FORT DETRICK MAJOR MILITARY AND FEDERAL RESEARCH CAMPUS

The 5 Cabinet-level Agencies on Fort Detrick conduct advanced scientific research including Biotech, Bioinformatics, and Nanotechnology. Local businesses capitalize on contracting and technology transfer opportunities.

### YOUNG POPULATION GROWTH

Frederick County has been successful at attracting millennials (25-34 year olds), outpacing the Washington Metro Area and Maryland's rate of growth since 2010.

### TECH FREDERICK PEER GROUP

Tech Frederick is the voice of the tech community and welcomes new member companies through job connections, training and networking opportunities.

### HIP AND HISTORIC

Many tech companies have chosen historic downtown Frederick for its unique character and hip offices spaces. The blend of old and new creates a unique environment that enables innovation, creative thinking and talent attraction.

LEADING TECHNOLOGY BUSINESSES ARE
